NAOMI REICE BUCHWALD
UNITED STATES DISTRICT JUDGE

Having reviewed the parties' pre-motion letters, dated September 3, 2020 and September 9, 2020, the Court has determined that defendants may bring their motions without the necessity of a pre-motion conference.

Plaintiff is reminded that if, consistent with Rule 11, it can assert additional allegations to cure any alleged deficiencies raised by defendants' letter, it would be in the best interest of both the parties and the Court for plaintiff to assert them now, before briefing on the proposed motions. Plaintiff is thus granted leave to file an amended complaint within two weeks of this Order. At that time, if no amended complaint has been filed, the parties should confer on a briefing schedule agreeable to both

sides, in which no more than sixty days elapse from the filing of defendants' motions to the filing of defendants' replies.

SO ORDERED.
